Clamp Meter 400A AC/DC True RMS

"*A professional clamp meter for electrical testing*"

A fully featured 400 A clamp

The Aegis range of clamp meters all combine a comprehensive range of test functions whilst maintaining simplicity of use, making them the ideal choice for everyday use.

The CZ20065 is a fully featured 400 A clamp meter perfectly suited to residential, commercial, and industrial applications alike.

The CZ20065 is made rugged and reliable to withstand the everyday operation required within the electrical industry.

Combined with the AC and DC current measurement are voltage, resistance, and frequency measurement. Diode checking and a continuity buzzer are included as standard.

Additionally measurements are made easier with the data hold and relative modes. The clamp opening allows for up to 28mm diameter cables.

400A AC/DC TRMS

The perfect clamp meter for domestic and light commercial electrical installations, the CZ20065 comes standard with all test leads and in a soft carry case.

SPECIFICATIONS

1 — Measurement

AC Current:	40A/400A
DC Current:	40A/400A
AC Voltage(True RMS):	4V/40V/400V/600V
DC Voltage:	400mV/4V/40V/400V/600V
Resistance:	400Ω/4kΩ/40kΩ/400kΩ/4MΩ/40MΩ
Frequency:	10Hz - 10MHz

2 — Features

Auto Ranging	
Display Count	4000
Input Impedance for DCV	Approx.10MΩ
Diode Checking	
Continuity Buzzer	
Data Hold/Relative Mode	
Auto Power Off	

3 — Physical

Dimensions	208 x 76 x 30 mm (packed unit)
Weight	260 grams
Accessories	Battery
	Test Lead
	Carry Bag
Standards:	CATII 600V
	CAT III 300V

Aegis has designed, manufactured and supplied Australian industry with test equipment for more than 80 years and we now services a wide range of international customers in the data, electrical, gas, telecommunications, and water industries.

Maximising the efficiency and effectiveness of business.

Manufactured under a Quality System complying to ISO9001 : 2000 (QEC Lic 5948)
